

Report on Use of Capacity Enhancement Grant in 2023/2024 School Year

Name of school: CNEC Christian College

Number of operating classes: 24

Means by which teachers have been consulted: Open discussion and opinion survey from 46 teachers in the staff meeting on 6-6-2024

Task Areas	Major Areas of Concern	Strategies/Tasks	Benefits Anticipated (e.g. in what way teachers' workload is alleviated)	Time scale	Resources Required	Success Criteria	Methods of Evaluation	Tasks Accomplishment (Refer to Part I below for details)
Equipping students to be active and self-directed learners	Release administrative workload of teachers so that they can spend more time in promoting self-directed learning	Employ a Teacher Assistant to assist the English Department and other HODs in administrative work	Relieve some workload of teachers so that teachers could have more time to take care of the students	From September 2023 onward for 1 year	Salary of the Teacher Assistant for the year: \$145,170.90	More than 71% of the teachers concerned have agreed that the Teacher Assistant could ease their workload.	Consult the English subject head opinions; collect feedbacks from teachers by using questionnaires and through discussion in the annual review	Accomplished [Refer to Part I, 1 below]

Enhancing the effectiveness of e-Learning and e-Teaching	Ensure the e-Learning and e-Teaching can be smoothly conducted both in the classrooms and on the online platforms.	Employ an Technical Support Assistant to give technical support for e-Learning and e-Teaching	Teachers concerned can conduct teaching or activities more effectively as technical problems can be minimized	From September 2023 onward for 1 year	Salary of the Technical Support Assistant for the year: \$127,804.95	More than 95% of the teachers concerned have agreed that the Technical Support Assistant could help solve their problems.	Collect feedbacks from teachers by using questionnaires and through discussion in the annual review	Accomplished [Refer to Part I, 2 below]
Coping with diverse and special learning needs of students	Release clerical and administrative workload of teachers so that they can spend more time in taking care of different learning needs of students	Employ an Activities Assistant to assist the HODs in running activities of school	Relieve some workload of teachers so that teachers could have more time to take care of the students	From September 2022 onward for 1 year	Salary of the Activities Assistant for the year: \$136,026.45 Total: \$409,002.30	73.9% of the teachers concerned have agreed that the Activities Assistant could ease their workload.	Collect feedbacks from teachers by using questionnaires and through discussion in the annual review	Slightly below target, which is set at 79%. 26.1% of the teachers have insufficient information, which reflects that the number of teachers served by Ms. Pang can be raised in the coming school year. [Refer to Part I, 3 below]
